OFF-ROAD ATTITUDE. SPORTING DNA.

CAYOTE

125CC ATV

GAZMIN

MAKE EVERY RIDE AN ADVENTURE.

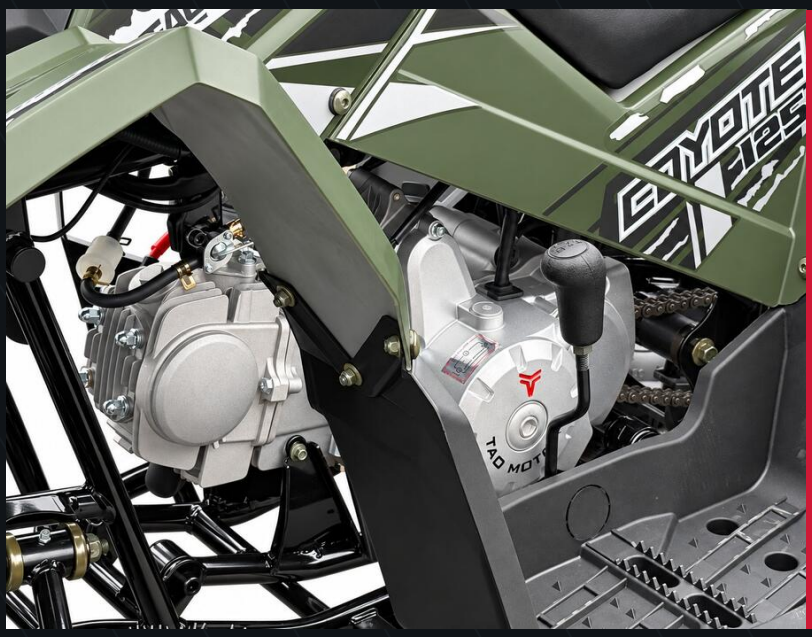

125cc
4-STROKE

D-N-R
AUTOMATIC

01 / THE HARDWARE

SMALL ENGINE. BIG ATTITUDE.

A compact four-stroke platform with the essentials for your next off-road session.

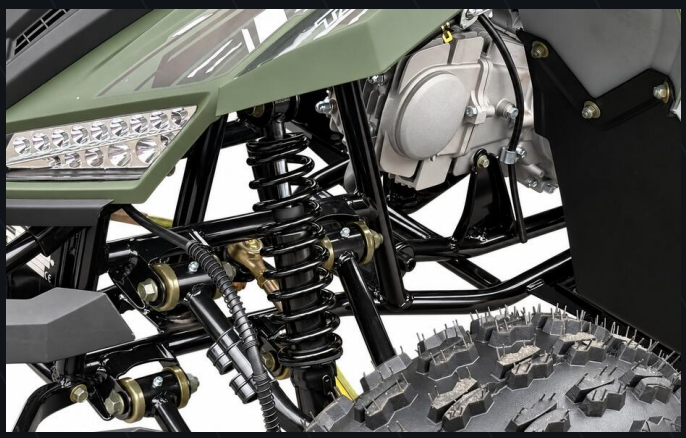

125

CC / FOUR-STROKE

Single-cylinder, air-cooled engine. Electric starting, carburettor fuelling and CDI ignition.

Automatic forward, neutral and reverse with a hand-operated selector.

FRONT-END FOCUS

Double A-arm front suspension and a front disc brake.

REAR-END CONTROL

Rear swingarm suspension, chain drive and rear disc brake.

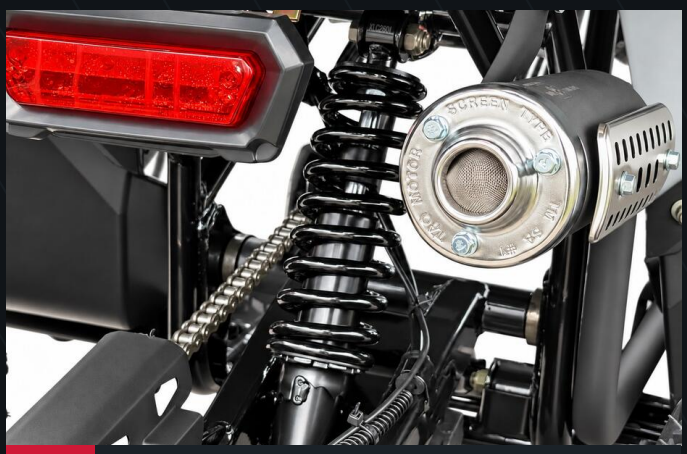

02 / RIDER FOCUS

DETAILS THAT MAKE THE DIFFERENCE.

01 CONTROL AT HAND

Speed limiter, remote engine shut-off and tether kill switch.

02 LIGHT UP THE LOOK

LED headlights and an LED brake light.

03 SPORTING PROFILE

Sculpted olive bodywork, a contoured seat and integrated footboards.

04 PRACTICAL FINISH

Rear rack and handguards complement the compact ATV layout.

Remote control switches off the engine; the ATV then rolls to a stop.

03 / THE NUMBERS

KNOW YOUR CAYOTE.
